Happy Anniversary!

One year ago, after twenty-nine years at the same employer, I was let go without notice or reason (and I couldn't be happier!) This began the shift to the full-time ministry you see today

Some know the story, some do not but many have asked so I decided to record the whole story of how this ministry came to be.

If you want to learn more, follow the story on YouTube at the link below:

Were You Healed?

If you were healed by God (and I know that a lot of you were) please contact me.
The best way to give Him glory is to praise Him - and I can help with that!

Do You Speak HTML?

If you are a web designer, then one look at my website will tell you that I am not!

I'm excited to report that the YouTube channel is up and running and we've been working hard to produce content.

There are three published playlists:

Lessons Learned

Where Deliverance Ministry Comes In

We are made up of a flesh (material) and spirit (non-material) and we sometimes forget that the gap between the two is not very far apart. Most know that non-material things (like stress) can affect our material bodies but few realize that material things (like addiction) can just as easily open an unwanted door and affect our spirit. Truly, it is a narrow gap and sometimes afflicting spirits can affect our physical bodies.

To be clear - this is NOT a case of demonic possession - but it is where deliverance ministry comes in.

Is Intercessory Prayer Helpful?

I get requests to pray for people. A lot of people!

And I don't mind it. In fact; I'm glad to help. But the job of an intercessor is - as the name implies - to intercede, not to take ownership. What I'm talking about is what I call prayer outsourcing.

Glory Stories!

Each month, I love to share Glory Stories (testimonies) of how God is healing, restoring, and answering your prayers.

This month, I wanted to highlight one glory story in particular.

They drove 24 hours for a 10 minute healing

People often ask ***"Is it better to pray in person or over the internet?"***

I've often said that the only limits on God are the ones we place on Him and I've seen God heal under both situations. However, It seems that God often (but not always) heals when praying in

person. Why? (hint: its not because of me!) I suspect that it is because in God's eyes, the person(s) are making a pilgrimage - an outward act of faith.

Recently, a father brought his daughter to me for prayer. The two drove twelve hours one way to meet me at my office for prayer. Their prayer request involved healing her leg, back and wrist. I taught the father how to pray and we both prayed for the young lady and she was (almost) instantly healed of everything.

Was it worth sitting in a car for 24 hours for a 10 minute prayer? (They certainly thought so!)
