# Happy New Year! Welcome to 2026!

**Where did the time go?**

**How is it that it's 2026 already?**

**How did I get here?**

Answer: one day at a time.

We are linear beings who are tied to this string called time and pulled ever forward into the future. Are you ready for tomorrow? Well, ready or not, here it comes. Anyone remember Y2K? I do and it's hard for me to believe that one fourth of the twenty first century is already gone. Where did it go? It slipped past us one day at a time.

I was praying with someone the other day when this same topic came up and there was (not surprisingly) a fear of the future. The person had many questions like, "What will happen to my family?", "What if I die early?" and "What if I don't make it to heaven?"

All were valid questions.

## Looking for face-to-face prayer?

### I have big news!

I found a permanent office that I can use to meet people for face-to-face prayer! Until now I'd been meeting people at churches and wherever we could, but I now have an **official address** to meet with you!

So...

If you requested face-to-face prayer from me in the past, you should have gotten an email from me with instructions on how we can meet. If not please fill out the prayer request form (link below) to request prayer.

## Glory Stories!

Each month, I love to share Glory Stories (testimonies) of how God is healing, restoring, and answering your prayers

### **Friendship Healed - Montevideo, Uruguay/Over the Internet**

*"A little miracle associated with the healing session happened. One of the issues that came up during the session was a wound regarding me being rude to a friend in school. John led me to pray for forgiveness for myself regarding the issue even though I'd lost track of him and hadn't seen him for many, many years. A few days after the session, I was at the beach in another city, and I randomly came across this old friend, and we had a nice chat. We were able to catch up and proposed to meet again in the future. Thanks be to God!"*

### **House Sold! - Kentucky, USA/Over the Internet**

*"Thanks for meeting with me. I felt pretty charged up and on fire for a couple weeks after our meeting. The selling of our house which was a big problem has been 'pending sold' on a couple of occasions but we've been dropped twice by buyers. Just wanted to let you know that our offer on a home was accepted tonight. Thank you for your prayers. Keep up God's work!"*

### Healing didn't occur...(or did it?) Idaho, USA/Over the Internet

*"I had a Zoom with John a few months ago. I am not healed of any physical issues, but I became spiritually healed from many lies. I feel as if all the garbage I got out of me created a ballroom for me to dance and sing praises of love for Christ! I am in Love with Jesus like never before."*

## We're e-x-p-a-n-d-i-n-g

Between November of last year and mid-January I've received five hundred forty seven prayer requests. This averages out to two hundred thirty people per month or:

- 85 people requesting to be put on the prayer list
- 130 requesting virtual prayer
- 15 requesting face-to-face prayer

At this volume it has become necessary to rent office space. I hold fast to my promise to never charge for what God gives for free however, I've had to purchase computers, internet bandwidth, accessories, software, hire a tax attorney, retain a small business lawyer and now...I have office rental. The work is all part of God's plan and I'm happy to do it, but the financial cost to run the ministry is about \$500/month. That's not a lot in the big scheme of things but it requires that I launch a fundraising campaign.

Henceforth...

All **one-time** donations of \$500 **or** **monthly** donations of \$50 donors will [receive a free copy of each of my books.](#)

**If you can help with either a one-time or a recurring monthly donation, I'd appreciate it!**

- \$15 will keep me afloat for one day
- \$125 will buy me another week
- \$500 will keep me going for a month
- \$1,500 will pay for a quarter year
- \$6,000 will cover me for a year

### **Donate to the ministry**

Or...if you want to help out in a different way, invite me to speak (either virtually or in person). I speak at all type of events:

- RCIA/OCIA classes
- Bible studies
- Prayer meetings
- Retreats

## What Church Should I Belong To?

Recently I was asked the question:

***“What church should I belong to?”***

This can be tricky question to answer because no matter what I recommend I am sure to upset someone. But if I’m honest, (and I try to be) I can answer the question with decorum, sensitivity, and above all, truth and the first thing I would point out is that the last thing I want to do is to make this decision for someone else. **YOU** must be the one who makes this decision because **YOU** are the one who must live with the consequences (which can be eternal).

***Make no mistake, this can be a divisive topic!***

Did you know that in the Bible the first recorded Church service ended when one-half of the congregation killed the other half over a dispute regarding over how to worship God?

***What? You never heard of the story of Cain and Abel?***
