God...Why don't you answer my prayer?

By Leslie Kowalski

How many times have you prayed for a specific request, need or for a certain outcome or resolution to a problem, but it seemed your prayers weren't answered? Does God hear you? Is He ignoring your need or painful situation? There are several reasons that you might not be receiving the response you had hoped for:

Trusting God's timing:

His timing is different from ours. We want what we want and it's usually right now! That's not how He works. Place your trust in Him. He is always working in the background on situations we may not know or see. He always answers prayers. Sometimes the answer is, "Wait" or "not yet".

It is finished...or is it?

This is from the Gospel of John, chapter 19:28-30:

"After this, Jesus, knowing that all was finished, said to fulfill the scripture, "I thirst": A jar of sour wine stood there, so they put a sponge full of the sour wine on a hyssop branch and held it to his mouth. When Jesus had received the sour wine, he said "It is finished" and he bowed his head and gave up his spirit."

A powerful scene in the Bible, to be sure, but what does it mean when Jesus says "it" is finished? What exactly is the "it" that is finished?

The Amazing Story of Jon Wayne Nobles

No matter where you find yourself, you'll find God

In 1986, when he was 25 years old, drug addict Jonathan Wayne Nobles brutally attacked two women in Austin, Texas, stabbing them to death. He was arrested, and stood trial. He never took the stand, and virtually the entire case rested on his confession. It was an open and shut case. He was found guilty and, according to Texas law, sentenced to death. He was sent to Huntsville Prison.

Glory Stories!

Each month, I love to share Glory Stories (testimonies) of how God is healing, restoring, and answering your prayers

Multiple Answered Prayers! – Canada/Prayed over the Internet

I met with a woman two weeks ago who had multiple spiritual issues, traumas and lies to unload. It seemed to be a successful deliverance session as she received a lot of inner peace for herself, but I didn't know how far the Lord was going until she called me back a few days ago and reported that in addition to her inner peace:

- *Her daughter is now in treatment for addiction*
- *Her estranged granddaughter is coming home*
- *Her hand was miraculously healed (via a different ministry)*
- *Her son's infection was healed*

There's nothing too small for God to fix!

"I was afraid to ask for healing" - USA/Prayed over the internet

I'd met with her twice already, but she never asked for prayer. The third time however was the charm as the counseling I'd offered was enough for her to approach the Lord and ask. We prayed and I'm happy to report that The Lord healed her of several issues, including leg length, aches, pains, plantar fasciitis and more.
