Faith That Heals... Truth That Transforms

What is Advent?

Many faith traditions celebrate the season of advent, but what exactly is advent?

Advent, or in Latin "adventus" means "coming". But who exactly is coming?

Jesus of course!

Think of it this way: when you have company coming over, you likely clean house and prepare for the visitors, don't you? It's no different with Jesus, except that the "house" we clean is ourselves. So, how do we clean ourselves? The same way we clean house - one room at a time.

Exciting News!

New interview available

Last month I had the wonderful opportunity to interview at the Christian Broadcast Network (CBN) studios in Washington, D.C. for their podcast Heaven Meets Earth ([Watch the CBN Interview Here](#)). The episode was released this week, and I'm grateful for the heartfelt responses and prayer requests that have come in. If you submitted a request and are waiting for an appointment, thank you for your patience. I pray through each message individually, and with hundreds to work through it will take time — but please know you are being lifted in prayer.

Important Update:

We are moving to a new platform due to ongoing technical issues with Zoom. If you have a link from a previous newsletter, please update your calendar using the link below.

Glory Stories

Each month, I love to share Glory Stories (testimonies) of how God is healing, restoring, and answering prayer.

Back Pain Healed - New Hampshire USA/Healed via Zoom

“My chronic back pain from scoliosis was healed. I’ve had pain in my upper-to-mid back all of my adult life. After my first Zoom call the pain was 80% gone. We had a second Zoom call and the pain is now gone! While my back does not look perfectly straight, pain isn’t a factor in my life anymore. I can sit on the floor and play with my kids without issue.

Thank you, Jesus!”

We're Pregnant! - Oklahoma, USA/Healed via Prayer List

“God is so good! My husband and I just found out we are pregnant after a year of trying for our first baby. The latest medical tests came back at normal levels after being told surgery would be our only option to improve this. Thank you for your prayers.”

Leg Healed & Heart Touched - NSW, Australia/Healed over Zoom

“My short leg was healed via zoom! Glory be to God. I think the leg healing is not the end for me, God wants to heal my childhood wounds too but He used my leg first to tell me that if He cares about my leg, how much more would He care about my relationship with my parents? My relationship with myself? My vocation? My soul? And now I get to be reminded of that, literally, every step of the way. Thank you God for my healing.”

And finally...

People ask me from time to time how I pray. My answer is simple - as best I can.

Here is my morning offering

Good morning Father, thank you for this day. Help me to use this day to do your work and your will. Father, grant me the wisdom to know right from wrong and grant me the strength of conviction to do the right thing, no matter what. For it is your will that I want to guide my life and guide my steps today, not mine.

Amen
